

Chemistry Year 11: 10/2 - 14/2

You will need your textbook to complete the following work. If you do not have your textbook or the ebook version from the front of your textbook, then use the following link to help <https://www.bbc.co.uk/bitesize/examspecs/zy984j6>

You need to draw a poster, make a powerpoint or some other review materials on the following topics.

- **Crude Oil**

- Revise and make notes on fractional distillation and the effects of combustion
- Pg 269-270; 273

- **Polymers and Polymerization**

- Revise and make notes on fractional Polymers and Polymerisation
- Pg 311 #2

- **Physical Chemistry (reversible reactions)**

- Revise and make notes on Physical chemistry using pages 240-246
- note :Skip the **CHEMISTRY ONLY** sections
- Take extra note of the figures and diagrams - when we come back to class, we will revise and then do a reversible reaction practical
- Answer Q1 on p. 246 (do not do the Chemistry only questions)
- Then do the following Chapter Review questions pg 248-252 Q2, 5, & 6
